FROM THE PRINCIPAL'S DESK

Mr. Praveen Yaragatti
Principal

Hello Everyone,

The purpose of education is to make good human beings with skill and expertise. Enlightened human beings can be created by teachers. When learning becomes purposeful, creativity blossoms.

True quality does not come from a great building or great facilities or great advertisements. It happens when education is imparted with love by teachers.

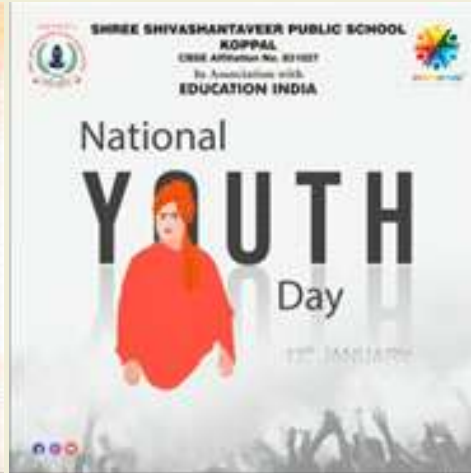

As teachers it is our responsibility to encourage all children to dream for themselves. Unless they have dreams, they cannot be motivated to attain them.

Thank You

CELEBRATIONS & ACTIVITIES

1. New year activity:

"Live less out of habit and more out of intent. Its never too late to start a new merely throw out the old and bring in the new"

Year's end is neither and nor a beginning but going on with all the wisdom that experience can instill in us. SSPS celebrated New Year with ardour and fervour. Celebration was really very rejuvenating for all the students and faculty. Students of Pre primary wing enthusiastically coloured the drawing and welcomed the New Year.

2. National Youth Day:

"Fill the brain with high thoughts, highest ideals, place them day and night before you, and out of that will come Great work" - Swami Vivekananda.

To commemorate the birthday of Swami Vivekananda, maker of Modern India, National Youth day is celebrated with great joy and enthusiasm every year in India on 12th January. We at SSPS too celebrated 161th birth anniversary of Swami Vivekananda by garlanding his portrait followed by a speech and a song that threw a light about this event.

3. Parakram Diwas

"One individual may die for an idea, but the idea will, after his death, incarnate itself in a thousand lives"

India observes eminent freedom fighter Netaji Subhash Chandra Bose's birth anniversary on January 23rd as Parakram Diwas. He was a true leader who stood high for the independence of India. Netaji had the ultimate charisma and passion which made him a true National hero among people. Ssps too celebrated Parakram diwas to honour and remember Netaji's indomitable spirit and selfless service to the nation. The portrait of Netaji was honoured by offering flowers that symbolizes our tribute to this great legend, followed by a speech. The significance of the day was delivered by Mr. Khaja Mainuddin which created a spirit of courage among students.

4. Indian Army Day

"Live by chance, Love by choice and kill by profession". Bravery is being the only one who knows you're afraid.

Indian army Day is celebrated on 15th January every year in India to pay tribute and respect to Indian army personnel and their families. The nation salutes their indomitable courage, valour, sacrifices and service and also for the efforts to keep India safe and secure. SSPS celebrated 75th Indian army day. Our tiny tots dressed up as soldiers and performed the dance.

5. Republic day

"NATION'S CULTURE RESIDES IN THE HEARTS AND IN THE SOUL OF ITS PEOPLE."

SSPS proudly celebrated the 74th Republic Day with immense patriotic fervour and zeal. The celebration commenced with flag hoisting, followed by plethora of activities performed by KG wing like patriotic dance and fancy dress of freedom fighters followed by speeches from the students. Overall it was a day of great observance that infused the spirit of unity, equality and patriotism among the students.

6. Road Safety Activity: "Sadak Suraksha Jeevan Raksha"

It's vital important to help and shape children and also young people understanding attitude towards the road safety. To help and give them the best chance of keeping safe while they are young and they get older.

To successfully deliver these and to encourage them towards the road safety SSPS organized road safety activities for the students of grades 5 and 6. Students made art and craft and even paintings on traffic light, signs and traffic signals. Road safety week is observed from 11th to 17th January under 'Swachhata Pakhwada' to propagate the cause of safer roads for all.

The school is one of the prestigious schools in Koppal. Here, pre-primary teachers have the ability to understand child's mood swings and patiently engage the student into learning without losing temper. The basic facilities provided by our school include a clean and hygienic environment, well qualified teachers, good infrastructure and concept based learning equipments.

Our school goal is to enhance every child's intellectual, linguistic and cognitive development. I enjoy teaching students and at the same time learn a lot from them. I am proud and happy to be a part of this institution.

Children are compared to God. So seeing these beautiful flowers we forget our pain and sorrows and rejuvenate ourselves. I am fortunate and feel honored To be in this profession.
