### FROM THE PRINCIPAL'S DESK

**Mr. Praveen Yaragatti**  
Principal

Hello Everyone,

The greatest gift we can ever present to the future generations is the messages and cultures we send with our children to the future.

Children aren't only messengers they are the live connecting bridge between one generation and the next generation.

Thank You

### PARENT'S TALK

#### **Mrs. Sumangala**

Hello I am Sumangala, parent of Channabasava S H who is studying in grade 10. It has been a great pleasure for me to share my views about the school and the teachers. All the teaching and non-teaching staff is very dedicated to the school. Their support is really appreciative, especially in taking extra classes for 'non high achiever' students. Teachers have supported students even during odd hours for exam preparation by clarifying the doubts. Each student is motivated to approach the teachers for any kind of support needed. The way of nurturing the children through performances and different activities has overwhelmed us. Students got ample of opportunities to explore through different concept and theme based activities.

With immense pleasure, I convey my heartfelt gratitude to the school management and teachers for a wonderful experience and journey of my son for ten years in the school.

Thank you
