FROM THE PRINCIPAL'S DESK

Mr. Praveen Yaragatti
Principal

Hello Everyone,

As Albert Einstein said "It is the supreme art of the teacher to awaken joy in creative expression and knowledge". The influence of teachers extends beyond the classroom, well into the future.

September 2022 was filled with celebrations. These celebrations cultivate a sense of community and instill a sense of meaning and significance to our lives. A quick glimpse of all the celebrations and activities is mentioned below.

Thank You

CELEBRATIONS & ACTIVITIES

Teachers' Day Celebration:

Our school celebrated the Teachers' Day on 5th of September with pomp and grandeur. On this occasion, the students of our school expressed their gratitude and appreciation for their teachers. The most striking feature of the occasion was that the whole program was conducted by the students of grade IX and X. The programme started with the traditional way with the prayer. Then the portrait of Dr. Sarvepalli Radhakrishnan was garlanded as the day marked the birthday of this great educationist and statesman of the country, followed by some cultural programs and games for teachers organized by the students. Each of our teachers were felicitated by the IDFC bank staff who specially visited our school to honor the teachers. It was indeed a proud moment for every staff.

Kalyana Karnataka Utsav:

As every year, this year too, the 74th Hyderabad Karnataka liberation Day was celebrated on 17 September 2022 in our school, to mark the freedom from the despotic rule of the Nizam, by hoisting the National Flag and honoring the freedom fighters for their contribution in the liberation movement.

My Favourite Rhyme :

Rhymes provide bite- sized learning opportunities for young children to develop key development skills and can often be the trigger for hours of creative and open ended play. They have a lot more to offer than just entertainment value. They introduce children to the idea of storytelling and it improves language.

Students of Pre-KG to UKG with lot of excitement sung their favorite rhymes. Our tiny tots enjoyed this activity.

Cartoon Activity

Cartoons are essential part of every childhood and without a doubt the most entertaining aspect in every kid's life. They helps kids learn about the world around us about new emotions, life issues and other important things. Shree Shivashantaveer Public School organized Cartoon activity for the students of Grades 1 and 2. Students brought the pictures and dressed up as their favorite cartoon characters. Students participated with Great Spirit, excitement and zeal.

Grandparents Activity :

A grandparent's love is strong and deep filled with memories to cherish. To felicitate the irreplaceable treasure of their lives and to celebrate this beautiful bond and also to encourage our little ones to express their gratitude. Shree Shivashantaveer Public School organized Grandparents activity. Students of the grades 3 and 4 honored their grandparents by bowing at their feet and sought blessings from them. This activity gives an opportunity to show their love towards each other.

World Tourism Day :

"The world is a book and those who do not travel read only a page."

We at Shree Shivashantaveer Public School celebrated this day on 27th September 2022 by taking the students of Grade 9 around the famous tourists places of the world through a video explaining the significance of each place, to acknowledge the importance of tourism and its social, cultural, political, and economic values. It was highly enjoyable to the students and worth informative.

PARENT'S TALK

Mrs. Ananthalakshmi C S

Hello I am Mrs. Ananthalakshmi C S mother of Lakshmikanth R who is studying in Grade 10 of Shree Shivashantaveer Public School. Since Grade 3 my son is studying in this school. I am very happy to admit him to this school and also tried to admit my daughter to this school but unfortunately she couldn't get seat.

We can see the disciplined environment and peacefulness in the school campus. Teachers are well-experienced and dedicated. School is also conducting extracurricular activities in order to make students to be perfect in all aspects. Teachers put their best effort to bring students become better. They are taking extra classes after the regular class. Nowadays education is only text-oriented but in this school in addition to education, good culture is being taught.

I am thankful to Swamiji, the Management, Principal and the teachers for giving good quality education which builds overall development in every individual student.

Thank you.

TEACHER'S TALK

Mrs. Rafia Begum

I Mrs. Rafia Begum Khilledar working as an assistant teacher in one of the reputed institutions in Koppal that is Shree Shivashantaveer Public School. It is my delight pleasure to express my perspective views over my educating journey from 2006 till date i.e teaching experience of 17 years. "A teacher is like a candle it consumes itself to light the way for others". Our school is in Academic partnership with Education India to make our students fully comprehend the curriculum and accommodate various learning techniques. My school's daily prayer and assembly programs enrich pupils to boost their energy physically and mentally. Students may forget what teacher said but they will never forget how teacher made them to feel. Teachers instill the students the importance of working hard and not compromising on small matters. So many students show that talent better than our expectations. I am thankful to school management and my dear colleagues for supporting me in all the aspects and I am glad to be a part and proud to be led by such a great management. I hope my school becomes one of the role models to others in upcoming days. I am so enthusiastic teacher of this innovative and disciplined school, under the supervision of higher authorities.

Lastly I would like to conclude myself by few lines "Each day I will do my best and I won't do any less. My work will always please me and I won't accept any mess. I will colour very carefully, my printing will be neat and I will not be happy until my work is all complete. I will always do my best with learning as my quest".

Thank you
