## "Parinita – 4"

A fourth monthly news letter of Academic Year 2021-2022 has brought you all the interesting news of the school -2021-2022. It's been a very long gap that physical classes have been stopped. At least in this month we have started offline classes for grade 9th and 10th.

### FROM THE PRINCIPAL'S DESK

**Mr. Praveen Yaragatti**  
Principal

In the month of August we have conducted 2 CCA activities for each class and conducted the First Periodic test for all the grades. Participation in the activities and the Performance in the Tests are good from all the students. Even the intensity of COVID-19 has reduced now.

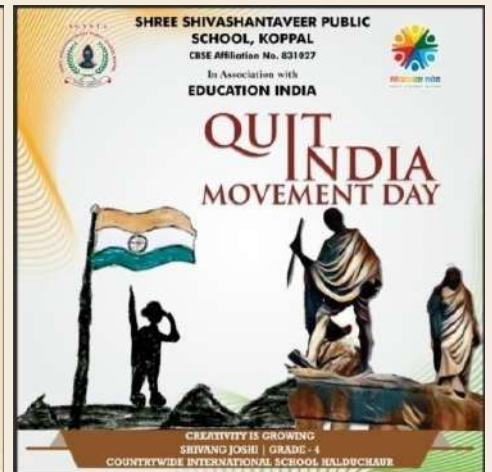

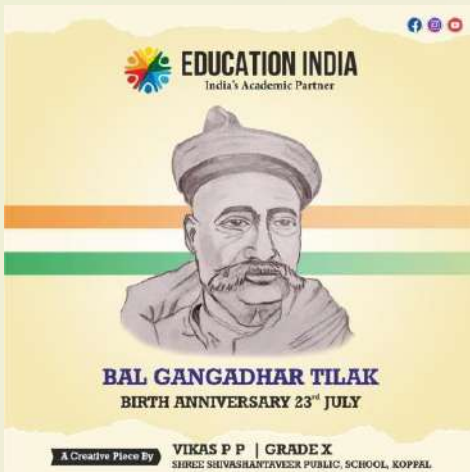

As per the orders of State Government we have started offline classes for the grade 9th and 10th from 23rd August 2021. Around 98% of students from grade 9th and 10th are attending the School physically. Still we are continuing with the online mode of teaching for the classes LKG to class 8th.

School is the place where we create a future of an individual student and build the future of the Country Together. And we need support from each and everyone. School is not the place where we give only information. Actually it's a place where we mould the innocent hearts.
