FROM THE PRINCIPAL'S DESK

Mr. Praveen Yaragatti
Principal

Hello Everyone,

We are in the last month of this year 2021 which was very hard for everyone and especially Educational institutes, students and the people connected directly indirectly to the same have suffered because of the lockdown. Still it has taught us many things like use of technology, importance of health, realization of relationships etc. We learnt that we must update ourselves regularly. We hope next year must become the best year of all that have passed till now.

As per the government's order we are running school and in this month we have conducted Term -1 exams for grade 1 to 9 although our students have done their best in the exams.

"Experience is the name often given to mistake once committed but Education reduces many of our mistakes"

PARENT'S TALK

Mr. Gururaj Kulkarni

Namaste to All,

As Said in Hitopadesha, "Vidya" is knowledge or skill. That knowledge leads to humbleness, humbleness attains worthiness, from that comes a wealth and from wealth good deeds, from that the Joy.

I am Gururaj Kulkarni, father of Mr. Samarth who is studying 10th Std and Mr. Saarthak who is studying 5th Std in Shree Shivashantaveer Public School.

Usually, many schools are teaching syllabi based dry content which is not enough useful for the future of students. We are very fortunate, this school is trying to impart good syllabi based contents as well as the culture and values which are most important in one's fruitful future.

All teachers are so good and they are bundles of knowledge. They look after every student individually and help them to achieve their goals. School's atmosphere is excellent. My both kids are enthusiastic and proud about their school and want to spend more time than the home.

My heartfelt thanks to The Principal and their staff for making our kids' future bright..!
