PARENT'S TALK

Mrs. Megha

Namaste,

Myself Megha mother of Aditi of grade 3. I would like to share my views on Shree Shivashantaveer Public School .

I can call this school as a second home of my daughter where she felt so comfortable in the new school environment not even a single day felt like she is going to a new place.

I thank management who kept the school always clean , neat and hygiene and textbooks are so wisely selected that where children understand concepts easily with the help of a story. They are simple yet comprehensive.

My daughter has improved lot in her handwriting and as well as reading for this I thank Mrs Sheela who is a class teacher of grade 3, where she played elegant role in bringing best from the pupils.

I thank all the teachers who explained very well and completed everything within the time frame, when the situation was against them because of the pandemic.

And thanks to music teacher when I see my daughter singing all the time and special thanks to PE teacher who cares and keep insisting to come to school on time.

As a teacher I have love for learning and love for learners. I use my teaching as tool to awaken joy in creativity, productivity and imparting the knowledge to the students.

This institution has introduced a magazine for students, teachers and parents to express their opinions and share their knowledge for the betterment of the school and the society.
