2nd News letter of Academic Year 2022-2023

FROM THE PRINCIPAL'S DESK

Mr. Praveen Yaragatti
Principal

Hello Everyone,

It's a great start of an academic year 2022-23 Curriculum, Curricular activities and co-curricular activities are being conducted every month in our school.

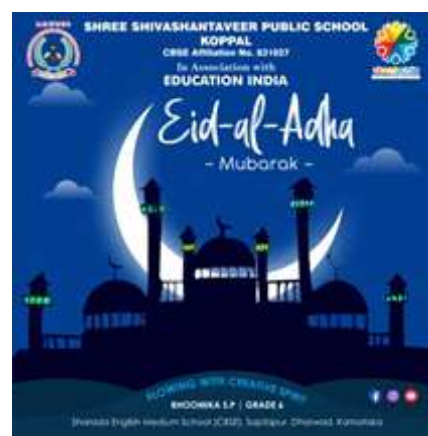

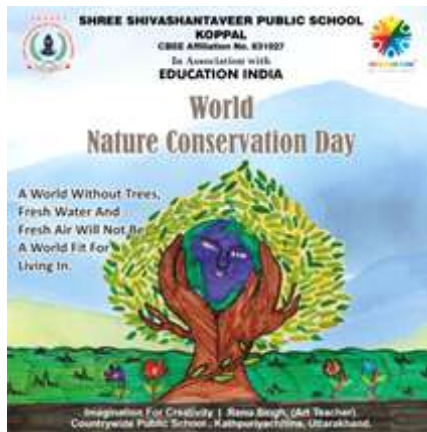

"Experiential learning is better than the experimental learning". In the process of experiential learning every child experiences the process of learning and the experiences cannot be forgotten easily. So, it's better to go with the activity based learning. All the events and celebrations are mentioned below.

Thank You

CELEBRATIONS & ACTIVITIES

Mango Day Activity :

On 30th June 2022, our school organized Mango Day Activity for the tiny tots. The sole purpose of the entire event was to see our little artists budding and blooming with happiness and excitement to learn. Teachers dressed up in the shades of Yellow. Various facts about the fruit were discussed with the children. Our little artists enjoyed the activity by drawing Mango and coloring it.

Science Activity:

"Health is Wealth". To create awareness of rapid growth of germs within the students, an experiment of fermentation of yeast was demonstrated by the 9 grade students under the guidance of Science teachers. The students also demonstrated on how to wash hands and maintain hygiene.

Paper Bag Making activity :

To Spread awareness about plastic pollution and encourage the use of environment friendly alternatives and also to boost creative skills among the students of Shree Shivashantaveer Public School, a Paper Bag making activity was conducted on 18th July for the grades 3 and 4. The fun filled activity inspired young children to contribute to the Mother Nature by using paper bags and saying NO to plastic bags.

Music Day Activity :

'Music is the Universal language of mankind'. It helps to relieve stress & improves memory. It also helps students to expand their mind and increases self – confidence. It serves a greater purpose in our lives than simply providing amusement.

On 8th July, Music Day Activity was conducted for the students of Shree Shivashantaveer Public School for grades 5 and 6. Music is one of the life's greatest pleasures. The participants presented each and every performance with glory. Their enthusiasm was heart winning.

Leaf Activity :

Activity based learning facilitates better understanding. It ensures that students are always engaged in learning and it brings about efficient learning experiences.

Students of Grade 3 have performed an activity by collecting many different types of leaves which vary in color, shape and size. This activity helped the children to learn about different types of leaves and its parts. Children actively participated in this activity.

PARENT'S TALK

I am Reshma Banu mother of Syeda Roshan who is studying in grade 9 of Shree Shivashantaveer Public School. I have taken a right decision to send my child to this school. All the teaching and non-teaching staff is very dedicated to the school and to the children. Their support is really appreciative.

Teachers are very caring and they provide guidance based on individual student's needs. Students are motivated to approach the teachers for any kind of support needed. The school is providing a good environment to the children, where students are very active with their works.

Every minute, every hour and every day the child is going to learn different things which are more important.

Teachers are taking extra efforts before the examinations to revise the syllabus and to improve the students.

All teachers are too good and they have wealth of knowledge. They look after the students individually and help them to reach the target of success. My kid is enthusiastic and wants to spend more time in school than in home.

My heartfelt thanks to the Principal and Vice Principal and to the teaching and non-teaching staff for creating a strong bond between the students and learning. Also thank you for making our kids more confident and obedient to the school and making their future bright.....

Thank You

TEACHER'S TALK

Mrs. Jayashree S. Hiremath

Hello Everyone, Myself Jayashree S. Hiremath. I am working as an Assistant Teacher in Shree Shivashantaveer Public School since 2015. I am handling English and have 8 years of experience in the field of teaching. I feel great proud to say that I started my wonderful journey and career through one of the most prestigious and esteemed schools in the city. My school is my second home where I spend most of my time. It gives me a platform to do better in life and also builds my personality. Education is an essential part of our lives. We are nothing without knowledge. The main step to acquire education is enrolling oneself in a school. Shree Shivashantaveer Public School offers the high quality education and also a concept based curriculum. Here Children inherently enjoy learning. They are curious about everything around them hence absorb every opportunity of learning from the environment. A school provides an enriched space which keeps them active, alert and their curiosity stoked.

After each lesson the teacher organizes an activity so that the children understand the lesson and concept quickly. A teacher is a 'Guru' one who dispels 'darkness of the ignorance'. Here 'Gu' means darkness of ignorance and 'Ru' means one who removes. No doubt teacher or guru holds a position higher than god in our culture. A good teacher can inspire hope, ignite the imagination and instill a love of learning. Being a teacher in this institution makes me feel pride. Lastly I am thankful to our school management, Principal, staff, students and all the parents for your support and co-operation.

Thank You
