FROM THE PRINCIPAL'S DESK

Mr. Praveen Yaragatti
Principal

Hello Everyone,

It's always been great pleasure to be the part of educational institution either a teaching staff or a non-teaching staff we all will get a chance in the school to learn many things from the students and even to teach them. In this month for the first time in this academic year we conducted CCA in offline mode and conducted activity for male parents on the occasion of International Men's Day. Completed the term-1 exams and now started with the term-2 syllabus. Planned to implement few more things which will help the student for their holistic development.

"Teachers are trying to script a story that's still being written, We all may get a chance to listen to one of them in the future"

PARENT'S TALK

Sujata & Vinay Dambal

Hello everyone,

We are feeling delighted to share our opinion about Shree Shivashantaveer Public School as parents. Our son PRATYUSH is studying in UKG, as we are currently residing in Japan we were worried about his studies initially, during our short visit to India this year we came to know about Shree Shivashantaveer Public School and took an admission. In this pandemic situation the school is conducting well organised online classes. Especially, I want to highlight some of the points as below.

1. School teachers are very adept, dedicated, humble and very helpful to the children. Their support is much appreciated, they bolster students in all type of creative activities.
2. Online classes are very effective, as we can see the changes and fruitful results in my kid day by day. Teachers have been very careful and were providing proper guidance based on individual student's need.
3. Student's engagement throughout the online class is very effective, each student is motivated to approach the teachers for any kind of support needed in studies.
4. Correcting student's mistakes in timely manner helps students to learn from their mistakes very effectively and apply the learning's quickly.
5. Finally i must say the Saturday's yoga class is a good platform for students to learn yoga at very young age and keep up the good health.

By selecting Shree Shivashantaveer public school we made the right choice, So we convey our heartfelt thanks and gratitude to the school management and all the teachers for creating wonderful learning atmosphere for all students.

Thank you

TEACHER'S TALK

Mrs. Flavia Jain

Greetings to all

I am Mrs Flavia Jain designated as an English teacher in one of the esteemed institute SSPS. Its a great privilege to serve in this institute and explore my knowledge and skills.

I am well pleased to brief few lines about my teaching as a teacher.

As a teacher possess enormous impact on the lives of students. I always desire to be a teacher that provide my students with an enjoyable education experience. I believe no students are weak in learning but they only need to be nurtured and facilitated according to their level of understanding.

Although I am an English teacher, I always try to be a teacher that has enough knowledge, so that my students can look for me for an advice.

I love teaching and its my passion to reach out to the students by implemented learn through fun and make my class more interesting and hence I have seen my students copping up steadily and their zeal for learning.

I am and always will continue to be the same and strive hard to train young minds and give them a holistic development.
