FROM THE PRINCIPAL'S DESK

Mr. Praveen Yaragatti
Principal

Hello Everyone,

"A man who dares to waste one hour of time has not discovered the value of time"

Our use of time reflects our priorities. If we want to make good use of our time, we've got to know what's most important and then give it all we've got. Time is free but it is priceless. We cannot have command on time, nor can we analyze and criticize it. It is very crucial that we need to understand the value of time and manage it effectively; otherwise, time can create an enormous impact on our life.

We are at the end of the academic year. Results are announced and students have done their best. If one values time and manages it effectively, can definitely achieve success.

Thank You

PARENT'S TALK

Mr. Shivakumar Hiremath

Hello everyone,

I am Shivakumar Hiremath father of Madhu Hiremath who is studying in grade 10 of Shree Shivashantaveer Public School. I am very happy with the school. The school is providing a particular environment to the children where they grow and learn something innovative.

Teachers are well experienced and dedicated and they provide guidance based on individual student's needs. Shree Shivashantaveer Public School is putting up their sincere efforts to bring out the best in the children in all the areas such as an extra curricular activities, sports and academics. Nowadays education is only text oriented but in this school in addition to education good culture is being taught.

My heartfelt thanks to the Principal and Vice Principal and to the teaching and non-teaching staff for creating a strong bond between the students and learning. Also thank you for making our kids more confident and obedient to the school and making their future bright.

Thank you
