FROM THE PRINCIPAL'S DESK

Mr. Praveen Yaragatti
Principal

Principal's Desk:

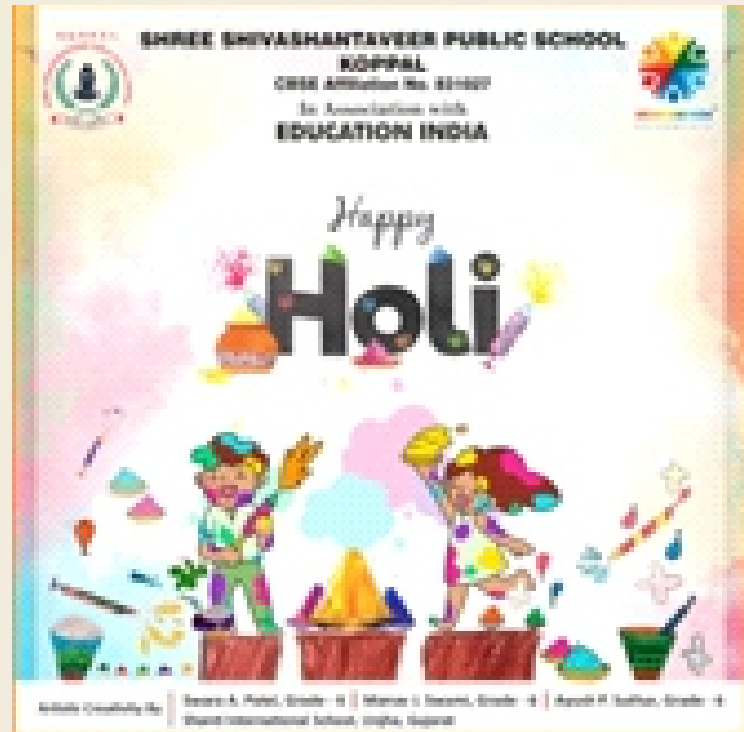

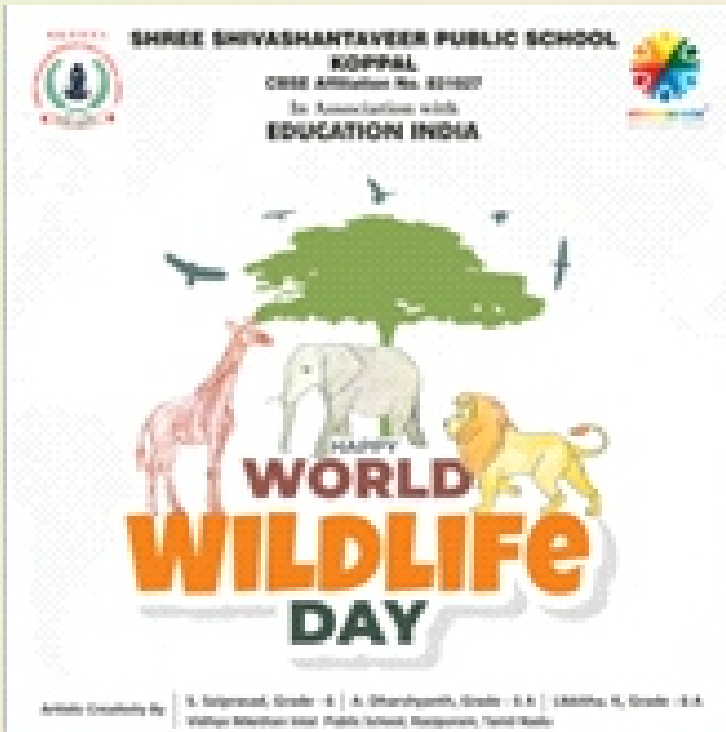

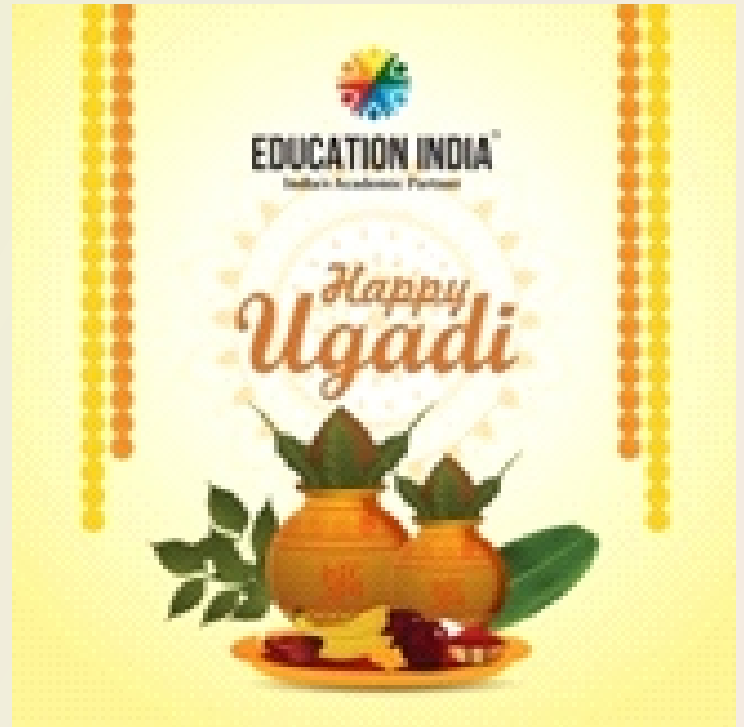

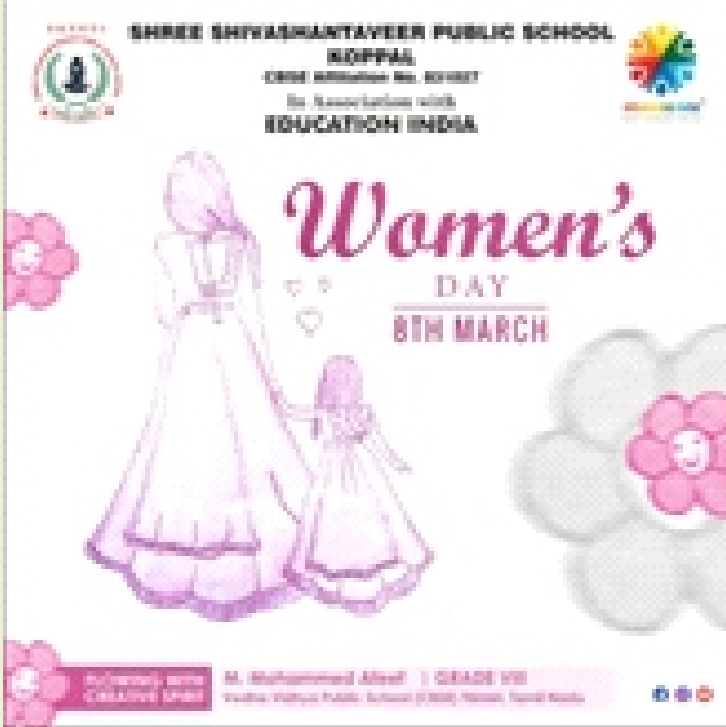

Hello Everyone,

"Self-belief and hard work will always earn you success". Successful and unsuccessful people do not vary greatly in their abilities. They vary in their desires to reach their potential. Education's purpose is to replace an empty mind with an open one. Efforts and courage are not enough without purpose and direction. The whole secret of a successful life is to find out what is one's destiny to do, and then do it. Examinations add power of toleration, perseverance and other good qualities to our ability. We are now at the end of this academic year by Completing the term-2 exams and Planned to implement few more things in the next academic year which will help the students for their holistic development. "

Thank You

PARENT'S TALK

Mr. Mallikarjun Kinnalmath

Hello everyone, I am Mallikarjun Kinnalmath father of Pruthvi M Kinnalmath who is studying in grade 10 of Shree Shivashantaveer Public school.

I am very glad and privileged to express my gratitude towards teaching, non-teaching staff and the management. As I observed, since 12 years the school has provided adoptable and good environment for the students, which helped them in their academics as well as co-curricular activities. These things build creativity within students. Teachers are very cooperative with students and parents. They clear the doubts and helps them to stay motivated.

I feel proud to express that this institution is developing gradually for better upliftment and future of students.

Thank you
